QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

We sent you this proxy statement and the Annual Report, as well as the enclosed proxy card, because our Board is soliciting your proxy to vote at the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. The Annual Meeting will be held on Tuesday, August 28, 2018, at 10:00 a.m. (Eastern time) at the offices of Sullivan & Worcester LLP, 1633 Broadway, New York, NY 10019. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

Website addresses included in this proxy statement are textual references only, and the information in any website is not incorporated by reference into this proxy statement.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on July 18, 2018, will be entitled to vote at the Annual Meeting.

Stockholder of Record: Shares Registered in Your Name

If as at the close of business on July 18, 2018, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Similar Organization

If as at the close of business on July 18, 2018, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account or its agent is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

The matters scheduled for a vote at the Annual Meeting are:

- the re-election of seven directors of the Company to hold office until our next annual meeting of stockholders and until their respective successors shall be elected and qualified or until their earlier resignation or removal;
- the consideration and approval, by a nonbinding advisory vote, of the compensation of our Named Executive Officers (as defined below), as described below under “Compensation of Executive Officers and Directors”; and
- the ratification of the appointment of Kesselman & Kesselman, certified public accountants in Israel, a member of PricewaterhouseCoopers International Limited (the “Independent Auditors”), as the independent registered public accounting firm of the Company for the 2018 fiscal year.

Our Board unanimously recommends that you vote FOR all of the above proposals.

How do I vote?

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the Annual Meeting, where a ballot will be made available to you. Directions to attend the Annual Meeting where you may vote in person can be found at:
<http://www.oramed.com/investors/governance-documents/annual-shareholder-meeting>.
- To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us no less than 24 hours before the Annual Meeting, we will vote your shares as you direct. The chairman of the Annual Meeting may, at his or her discretion, decide to accept proxy cards even if received less than 24 hours before the Annual Meeting.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Similar Organization

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank or other agent, provided that your broker, bank or other agent makes telephone or Internet voting available. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

How many votes do I have?

You have one vote for each share of common stock you own as of the close of business on July 18, 2018.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “FOR” with respect to Proposals 1, 2 and 3. If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

If your shares are held by your broker as your nominee (that is, in “street name”), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to “discretionary” items, but not with respect to “non-discretionary” items. Discretionary items are proposals considered “routine” under applicable rules on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as “broker non-votes.” Proposal 3 at the Annual Meeting is considered a discretionary item.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy card with a later date;
- You may send a written notice that you are revoking your proxy to our Secretary at 142 W. 57th Street, New York, New York 10019; or
- You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker, bank, or other agent, you should follow the instructions provided by your broker, bank, or other agent.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count “For,” “Against” and “Abstain” with respect to Proposals 1, 2 and 3.

How many votes are needed to approve each proposal?

The approvals of Proposals 1, 2 and 3 require the vote of a majority of the number of shares of common stock present, in person or represented by proxy at the Annual Meeting and entitled to vote thereat. Other than for the purpose of establishing a quorum, as discussed in the following paragraph, broker non-votes will not be counted as entitled to be voted and will therefore not affect the outcome of Proposals 1 and 2 (as noted above, because Proposal 3 is considered routine, there will not be broker non-votes with respect to that Proposal). With respect to all matters to be voted on, abstentions will have the same effect as a vote against such matters.

What is the quorum requirement?

The holders of at least one third (1/3) of the common stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at the Annual Meeting for the transaction of business. As of July 18, 2018, there were 17,362,615 shares of common stock outstanding and entitled to vote. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the stockholders entitled to vote thereat, present in person or by proxy, have the power to adjourn the Annual Meeting, without notice other than announcement at the Annual Meeting. At such adjourned Annual Meeting at which the requisite amount of voting stock shall be represented, any business may be transacted which might have been transacted at the Annual Meeting as originally notified.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be reported in a current report on Form 8-K filed with the Securities and Exchange Commission (the “SEC”) within four business days after the Annual Meeting.

**SECURITY OWNERSHIP OF
CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information regarding the beneficial ownership of our common stock as of July 18, 2018 by: (1) each person who is known by us to own beneficially more than 5% of our common stock; (2) each director nominee (a “Director Nominee”); (3) each of our Named Executive Officers listed below under “Compensation of Executive Officers and Directors-Summary Compensation Table”; and (4) all of our directors and executive officers as a group. On such date, we had 17,362,615 shares of common stock outstanding.

As used in the table below and elsewhere in this form, the term “beneficial ownership” with respect to a security consists of sole or shared voting power, including the power to vote or direct the vote, and/or sole or shared investment power, including the power to dispose or direct the disposition, with respect to the security through any contract, arrangement, understanding, relationship, or otherwise, including a right to acquire such power(s) during the 60 days following July 18, 2018. Inclusion of shares in the table does not, however, constitute an admission that the named stockholder is a direct or indirect beneficial owner of those shares. Unless otherwise indicated, (1) each person or entity named in the table has sole voting power and investment power (or shares that power with that person’s spouse) with respect to all shares of common stock listed as owned by that person or entity and (2) the address of each of the individuals named below is: c/o Oramed Pharmaceuticals Inc., 142 W. 57th Street, New York, New York 10019.

Prior to that, she was a senior auditor in the Shanghai Branch of Ernst & Young Hua Ming LLP, where she served for four years. Ms. Li holds a bachelor's degree from the College of Economics, Anhui University, a Master of Accounting degree from Monash University, Australia, and a Master of Management degree from Central Queensland University, Australia. Ms. Li has also been a member of the Association of Chartered Certified Accountants (ACCA) since 2017.

We believe that Ms. Li's qualifications to serve on our Board include her experience and relevant education in the fields of finance, economics, capital markets and management, as well as her familiarity with the Eastern market.

Mr. Kevin Rakin became a **director** in August 2016 and Chairman of the Board in July 2017. Mr. Rakin is a co-founder and partner at HighCape Partners, a growth equity life sciences fund where he has served since 2013. From June 2011 to November 2012, Mr. Rakin was the President of Regenerative Medicine at Shire plc ("Shire"), a leading specialty biopharmaceutical company. Prior to joining Shire, Mr. Rakin served as the Chairman and Chief Executive Officer of Advanced BioHealing, Inc. from 2007 until its acquisition by Shire for \$750 million in June 2011. Mr. Rakin currently serves on the board of Histogenics Corporation. Mr. Rakin holds an MBA from Columbia University and received his graduate and undergraduate degrees in Commerce from the University of Cape Town, South Africa.

We believe that Mr. Rakin's qualifications to serve on our Board include his extensive experience as an executive in the biotechnology industry, as well as his service in positions in various companies as a chief executive

officer, chief financial officer and president and his involvement in public and private financings and mergers and acquisitions in the biotechnology industry.

Mr. Leonard Sank became a *director* in October 2007. Mr. Sank is a South African entrepreneur and businessman, whose interests lie in entrepreneurial endeavors and initiatives, with over 20 years' experience of playing significant leadership roles in developing businesses. For the past seventeen years, Mr. Sank has served on the boards of a few businesses and local non-profit charity organizations in Cape Town, where he resides.

We believe that Mr. Sank's qualifications to serve on our Board include his years of experience in development stage businesses, as well as his experience serving as a director of many entities.

Mr. David Slager became a *director* in August 2016. Mr. Slager is the founder and Chairman of Regals Management, and the Portfolio Manager of the fund. Prior to founding Regals Management in 2012, Mr. Slager was the Chairman and the Portfolio Manager of Attara Capital. Prior to Attara Capital in 2009, Mr. Slager was the Vice Chairman of Atticus Capital LP, a global investment management firm he joined in 1998. Mr. Slager's previous professional experience also includes having been in the Proprietary Equity Arbitrage Group at Goldman, Sachs & Co. in London and a financial analyst at Goldman, Sachs & Co. in New York and London. Mr. Slager holds a master's degree in Legal Philosophy (Jurisprudence) from Oxford University.

We believe that Mr. Slager's qualifications to serve on our Board include his years of experience in the capital markets as well as his management skills, his knowledge and familiarity with corporate finance and his familiarity with the Company given his history as a leading shareholder in the Company.

Board of Directors

There are no agreements with respect to the election of directors. Each director is elected for a period of one year at our annual meeting of stockholders and serves until the next such meeting and until his or her successor is duly elected or until his or her earlier resignation or removal. The Board may also appoint additional directors. A director so chosen or appointed will hold office until the next annual meeting of stockholders and until his or her successor is duly elected and qualified or until his or her earlier resignation or removal. The Board has determined that Leonard Sank, David Slager, Kevin Rakin, Aviad Friedman and Xiaopeng Li are independent as defined under the rules promulgated by The Nasdaq Stock Market LLC ("Nasdaq"). Other than Mr. Slager, Ms. Li and Mr. Friedman, none of the independent directors has any relationship with us besides serving on our Board. In connection with a private placement of our common stock in 2013, we have entered into a letter agreement with Mr. Slager pursuant to which we agreed not to issue stock options with an exercise price below \$6.00 per share and not to grant more than 125,000 stock options in any calendar year without the consent of certain stockholders. Ms. Li was appointed to serve on our Board pursuant to the terms of the Securities Purchase Agreement between the Company and HTIT dated November 30, 2015, but does not otherwise have any relationship with us. We had entered into a consulting agreement with Shikma, of which Mr. Friedman is the sole owner, pursuant to which Shikma was granted an option exercisable into shares of common stock of the Company as compensation for certain consulting services provided by Shikma to the Company. This consulting agreement was terminated in August 2016. The Board considered these relationships and determined that they would not interfere with Mr. Slager's, Ms. Li's or Mr. Friedman's exercise of independent judgment in carrying out the responsibilities of a director.

We have determined that each of the directors is qualified to serve as a director of the Company based on a review of the experience, qualifications, attributes and skills of each director. In reaching this determination, we have considered a variety of criteria, including, among other things: character and integrity; ability to review critically, evaluate, question and discuss information provided, to exercise effective business judgment and to interact effectively with the other directors; and willingness and ability to commit the time necessary to perform the duties of a director.

Board Meeting Attendance

During Fiscal 2017, our Board held 13 meetings and took actions by written consent on two occasions. Ms. Xiaopeng Li attended fewer than 75% of the aggregate of: (i) the total number of meetings of the Board (during the period for which such director served as a director); and (ii) the total number of meetings held by all committees of the Board on which such director served (during the period for which such director served on such

committees). Board members are encouraged to attend our annual meetings of stockholders. At the annual meeting of stockholders held on August 30, 2017, four Board members were present.

Committees

Our Audit Committee met seven times and took action by written consent on one occasion during Fiscal 2017.

Compensation Committee

The members of our Compensation Committee are Leonard Sank, Kevin Rakin and Aviad Friedman. The Board has determined that all of the members of the Compensation Committee are “independent” as defined by the rules of the SEC and Nasdaq rules and regulations. The Compensation Committee operates under a written charter that is posted on the “Investors” section of our website, www.oramed.com. The primary responsibilities of our Compensation Committee include:

- Reviewing, negotiating and approving, or recommending for approval by our Board the salaries and incentive compensation of our executive officers;
- Administering our equity based plans and making recommendations to our Board with respect to our incentive-compensation plans and equity-based plans; and
- Making recommendations to our Board with respect to director compensation.

The Compensation Committee meets as often as it deems necessary, without the presence of any executive officer when approving compensation, except that the Company’s Chief Executive Officer, at the discretion of the Compensation Committee, may be present during the approval of, or deliberations with respect to, other executive officer compensation. The Compensation Committee may delegate any authority granted to it to one or more subcommittees of the Compensation Committee, in its sole discretion.

Our Compensation Committee met twice and took action by written consent on three occasions during Fiscal 2017.

Compensation Committee Interlocks and Insider Participation

During Fiscal 2017, Aviad Friedman, Kevin Rakin and Leonard Sank served as the members of our Compensation Committee. None of the members of our Compensation Committee is, or has been, an officer or employee of ours.

During the last year, none of our Named Executive Officers served as: (1) a member of the compensation committee (or other committee of the board of directors performing equivalent functions or, in the absence of

any such committee, the entire board of directors) of another entity, one of whose executive officers served on the compensation committee; (2) a director of another entity, one of whose executive officers served on the compensation committee; or (3) a member of the compensation committee (or other committee of the board of directors performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served as a director on our Board.

Nominating Committee

The members of our Nominating Committee, which was formed in October 2017, are Leonard Sank and Aviad Friedman. The Board has determined that all of the members of the Nominating Committee are “independent” as defined by the rules of the SEC and Nasdaq rules and regulations. The Nominating Committee operates under a written charter that is posted on the “Investors” section of our website, www.oramed.com. The primary responsibilities of our Nominating Committee include:

- Overseeing the composition and size of the Board, developing qualification criteria for Board members and actively seeking, interviewing and screening individuals qualified to become Board members for recommendation to the Board;
- Recommending the composition of the Board for each annual meeting of shareholders; and
- Reviewing periodically with the Chairman of the Board and the Chief Executive Officer the succession plans relating to positions held by directors, and making recommendations to the Board with respect to the selection and development of individuals to occupy those positions.

Director Nominations

The Nominating Committee is responsible for developing and approving criteria, with Board approval, for candidates for Board membership. The Nominating Committee is responsible for overseeing the compensation and size of the Board, developing qualification criteria for Board members and actively seeking, interviewing and screening individuals qualified to become Board members for recommendation to the Board and for recommending the composition of the Board for each of the Company’s annual meetings. The Board as a whole is responsible for nominating individuals for election to the Board by the stockholders and for filling vacancies on the Board that may occur between annual meetings of the stockholders.

Nominees for director will be selected on the basis of their integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. No particular criteria will be a prerequisite or will be assigned a specific weight, nor does the Company have a diversity policy. The Company believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

The Company has never received communications from stockholders nominating individuals for appointment to our Board. Therefore, we do not yet have a policy with regard to the consideration of any director candidates recommended by stockholders. In Fiscal 2017, we did not pay a fee to any third party to identify or evaluate, or assist in identifying or evaluating, potential nominees to our Board. All of the Director Nominees for election at the Annual Meeting are current members of our Board.

Code of Ethics

We have adopted a Code of Ethics and Business Conduct for our senior officers, directors and employees. Our Code of Ethics and Business Conduct is posted on the “Investors” section of our website, www.oramed.com. A printed copy of our Code of Ethics and Business Conduct is also available free of charge to any stockholder who requests a copy. We intend to disclose any amendment to or waiver of a provision of our Code of Ethics and Business Conduct that applies to our Chief Executive Officer, Chief Financial Officer or controller, or persons performing similar functions, by posting such information on our website, www.oramed.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of Forms 3, 4 and 5, and amendments thereto, furnished to us during Fiscal 2017, we believe that during Fiscal 2017, our executive officers, directors and all persons who own more than ten percent of a registered class of our equity securities complied with all Section 16(a) filing requirements, except as follows:

- Mr. Josh Hexter, our Chief Operating Officer, failed to timely file a Form 4 reporting his November 1, 2016 acquisition of 70,000 shares of our common stock. Mr. Hexter filed a Form 4 reporting this transaction on November 22, 2016;
- Mr. Kevin Rakin, one of our directors, failed to timely file a Form 4 reporting his February 9, 2017 acquisition of options to purchase 5,697 shares of our common stock. Mr. Rakin filed a Form 4 reporting this transaction on February 16, 2017;
- Mr. David Slager, one of our directors, failed to timely file a Form 4 reporting his February 9, 2017 acquisition of options to purchase 5,697 shares of our common stock. Mr. Slager filed a Form 4 reporting this transaction on February 16, 2017;
- Mr. Aviad Friedman, one of our directors, failed to timely file a Form 4 reporting his February 9, 2017 acquisition of options to purchase 4,084 shares of our common stock. Mr. Friedman filed a Form 4 reporting this transaction on March 2, 2017; and
- Ms. Xiaopeng Li, one of our directors, failed to timely file a Form 4 reporting her February 9, 2017 acquisition of options to purchase 12,253 shares of our common stock. Ms. Li filed a Form 4 reporting this transaction on March 2, 2017.

Board Leadership Structure and Role in Risk Oversight

Mr. Nadav Kidron serves as our President and Chief Executive Officer and on our Board. Mr. Kevin Rakin serves as Chairman of our Board. We believe that this leadership structure is appropriate to our Company given the current size and operations of the Company.

The Board does not have a formal policy on whether the roles of Chairman and Chief Executive Officer should be combined or separated. The Board believes that the Company's stockholders are best served by the Board having flexibility to consider the relevant facts and circumstances and determine, at the time of the Chairman's election, the best leadership structure for the Company rather than by adhering to a formal standing policy on the subject.

In connection with the Board's ongoing review of its leadership structure, the Board has determined that the position of Chairman should be held by a non employee of the Company. The Board believes that the current leadership structure, which separates the roles of Chief Executive Officer and Chairman, fosters effective governance and oversight of the Company. The Chairman is responsible for advising the Chief Executive Officer and presiding over meetings of the Board and consulting with the Chief Executive Officer on Board meeting agendas. The Chief Executive Officer is responsible for setting the Company's strategy and leading the Company's day to day performance. We believe this governance structure promotes balance between the authority of those who oversee our business and those who manage it on a day to day basis.

Our Board's, including each of our committees', as appropriate, role in risk oversight includes risk analysis and assessment in connection with each financial and business review, update and decision-making proposal and is an integral part of all Board deliberations. Each of our Board Committees is focused on specific risks within their areas of responsibility, but the Board believes that the overall enterprise risk management process is more properly overseen by all of the members of the Board. The Audit Committee is responsible for overseeing the management of financial and accounting risks. The Compensation Committee is responsible for overseeing the management of risks relating to executive compensation plans and arrangements. The Nominating Committee is responsible for overseeing the management of governance risks.

The Board's role in our risk oversight is consistent with our leadership structure, with our President and Chief Executive Officer and other members of senior management having responsibility for assessing and managing our risk exposure, and the Board providing oversight in connection with those efforts.

Stockholder Communications

Although we have not adopted a formal process for stockholder communications with our Board, we believe stockholders should have the ability to communicate directly with the Board so that their views can be heard by the Board or individual directors, as applicable, and that appropriate and timely responses are provided to stockholders. All communications regarding general matters should be directed to the Secretary of the Company at the address below and should prominently indicate on the outside of the envelope that it is intended for the complete Board or for any particular director(s). If no designation is made, the communication will be forwarded to the entire Board. Stockholder communications to the Board should be sent to:

Certain Relationships and Related Transactions

During Fiscal 2017, except for compensation arrangements described elsewhere in this proxy statement, we did not participate in any transaction, and we are not currently participating in any proposed transaction, or series of transactions, in which the amount involved exceeded \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, and in which, to our knowledge, any of our directors, officers, five percent beneficial security holders, or any member of the immediate family of the foregoing persons had, or will have, a direct or indirect material interest.

Our policy is to enter into transactions with related persons on terms that, on the whole, are no less favorable than those available from unaffiliated third parties. Based on our experience in the business sectors in which we operate and the terms of our transactions with unaffiliated third parties, we believe that all of the transactions described below met this policy standard at the time they occurred. All related person transactions are approved by our Board.

See “Compensation of Executive Officers and Directors-Director Compensation” for information as to compensation of our directors and executive officers.

REPORT OF THE AUDIT COMMITTEE

In the course of our oversight of the Company's financial reporting process, we have: (1) reviewed and discussed with management the audited financial statements for Fiscal 2017; (2) discussed with the Independent Auditors the matters required to be discussed by the statement on Auditing Standards No. 1301 of the Public Company Accounting Oversight Board; (3) received the written disclosures and the letter from the Independent Auditors required by applicable requirements of the standards of the Public Company Accounting Oversight Board regarding the Independent Auditors' communications with the Audit Committee concerning independence and discussed with the Independent Auditors the Independent Auditors' independence; and (4) considered whether the provision of nonaudit services by the Independent Auditors is compatible with maintaining its independence and concluded that it is compatible at this time.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report for filing with the SEC.

PROPOSAL 2:

ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and related rules of the SEC, we are including a separate proposal subject to stockholder vote to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers listed in the Summary Compensation Table appearing elsewhere in this proxy statement pursuant to Item 402 of Regulation S-K. To learn more about our executive compensation, see “Compensation of Executive Officers and Directors” elsewhere in this proxy statement.

The vote on this Proposal 2 is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our Named Executive Officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC. To the extent there is any significant vote against our Named Executive Officer compensation as disclosed in this proxy statement, our Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders.

Based on the above, we request that you indicate your support for our executive compensation, by voting in favor of the following resolution:

“RESOLVED, that the Company’s stockholders approve, on a non-binding, advisory basis, the compensation of the Company’s Named Executive Officers as described in this proxy statement, including the “Compensation of Executive Officers and Directors” section, the related compensation tables and other narrative compensation disclosures.”

The opportunity to vote on this Proposal 2 is required pursuant to Section 14A of the Exchange Act. However, as an advisory vote, the vote on Proposal 2 is not binding upon us and serves only as a recommendation to our Board. Nonetheless, our Compensation Committee, which is responsible for designing and administering our executive compensation program, and the Board value the opinions expressed by stockholders, and will consider the outcome of the vote when making future compensation decisions for our Named Executive Officers.

At our annual meeting of stockholders held on July 23, 2014, our stockholders voted in favor of the proposal to hold say-on-pay votes every two years. The next stockholder say-on-pay vote will occur at our annual meeting of stockholders for the 2019 fiscal year.

Vote Required

The affirmative vote of the holders of a majority of shares of common stock present, in person or by proxy, and entitled to vote on Proposal 2 is required for the approval thereof.

The Board unanimously recommends that you vote “FOR” the approval of the compensation of our Named Executive Officers, as disclosed in this proxy statement.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

This section explains the policies and decisions that shape our executive compensation program, including its specific objectives and elements, as it relates to our Named Executive Officers. Our Named Executive Officers for Fiscal 2017 are those three individuals listed in the “Summary Compensation Table” below. The Compensation Committee believes that our executive compensation is appropriately designed to incentivize our Named Executive Officers to work for our long-term prosperity, is reasonable in comparison with the levels of compensation provided by comparable companies, and reflects a reasonable cost. We believe our Named Executive Officers are critical to the achievement of our corporate goals, through which we can drive stockholder value.

The Compensation Committee of our Board is comprised solely of independent directors as defined by Nasdaq and non-employee directors as defined by Rule 16b-3 under the Exchange Act. The Compensation Committee has the authority and responsibility to review and approve the compensation of our Chief Executive Officer and other executive officers. Other information concerning the structure, roles and responsibilities of our Compensation Committee is set forth in “Committees — Compensation Committee.”

Our executive compensation program and our Named Executive Officers’ compensation packages are designed around the following objectives:

- attract, hire, and retain talented and experienced executives;
- motivate, reward and retain executives whose knowledge, skills and performance are critical to our success;
- ensure fairness among the executive management team via recognizing the contributions of each executive to our success;
- focus executive behavior on achievement of our corporate objectives and strategy; and
- align the interests of management and stockholders by providing management with longer-term incentives through equity ownership.

The Compensation Committee reviews the allocation of compensation components regularly to ensure alignment with strategic and operating goals, competitive market practices and legislative changes. The Compensation Committee does not apply a specific formula to determine the allocation between cash and non-cash forms of compensation. Certain compensation components, such as base salaries, benefits and perquisites, are intended primarily to attract, hire, and retain well-qualified executives. Other compensation elements, such as long-term incentive opportunities, are designed to motivate and reward performance. Long-term incentives are intended to reward Named Executive Officers for our long-term performance and executing our business strategy, and to strongly align Named Executive Officers’ interests with those of stockholders.

With respect to equity compensation, the Compensation Committee makes awards to executives under our Second Amended and Restated 2008 Stock Incentive Plan (the “2008 Plan”). Executive compensation is paid or granted based on such matters as the Compensation Committee deems appropriate, including our financial and operating performance and the alignment of the interests of the executive officers and our stockholders.

Elements of Compensation

Our executive officer compensation program is comprised of: (i) base salary or monthly compensation; (ii) discretionary bonus; (iii) long-term equity incentive compensation in the form of stock option and RSU grants; and (iv) benefits and perquisites.

In establishing overall executive compensation levels and making specific compensation decisions for our Named Executive Officers in Fiscal 2017, the Compensation Committee considered a number of criteria, including the executive’s position, scope of responsibilities, prior base salary and annual incentive awards and expected contribution.

Generally, our Compensation Committee reviews and, as appropriate, approves compensation arrangements for the Named Executive Officers from time to time but not less than once each year. The Compensation Committee also takes into consideration the Chief Executive Officer's recommendations for executive compensation of the other Named Executive Officers. The Chief Executive Officer generally presents these recommendations at the time of our Compensation Committee's review of executive compensation arrangements.

Base Salary

The Compensation Committee performs a review of base salaries and monthly compensation for our Named Executive Officers from time to time as appropriate. In determining salaries, the Compensation Committee members also take into consideration the scope of the Named Executive Officers' responsibilities and independent third party market data, such as compensation surveys to industry, individual experience and performance and contribution to our clinical, regulatory, commercial and operational performance. None of the factors above has a dominant weight in determining the compensation of our Named Executive Officers, and our Compensation Committee considers the factors as a whole when considering such compensation. In addition, our Compensation Committee uses comparative data regarding compensation paid by peer companies in order to obtain a general understanding of current trends in compensation practices and ranges of amounts being awarded by other public companies, and not as part of an analysis or a formula.

In Fiscal 2017, for example, the Compensation Committee received consulting services from Aon Consulting, Inc. ("Aon"), through its Radford subdivision (part of Aon Hewitt) ("Radford"), with regard to management and Board compensation. The Compensation Committee engaged the consultant solely to collect and analyze data regarding management and Board compensation at other companies comparable to the Company. The consultant collected data regarding U.S. and Israeli practices, reviewed executive compensation against a market composite of peer proxy data and Radford survey data, determined the U.S. to Israeli discount and applied the discount to position specific U.S. data to arrive at Israeli market data.

The Israeli peer group consisted of the following companies: Alcobra Ltd., BioLine Rx Ltd., Can-Fite BioPharma Ltd., Foamix Pharmaceuticals Ltd., Galmed Pharmaceuticals Ltd., Intec Pharma Ltd., Kamada Ltd., MediWound Ltd., Pluristem Therapeutics Inc., Protalix BioTherapeutics Inc., RedHill Biopharma Ltd. and Vascular Biogenics Ltd. The U.S. peer group consisted of the following companies: Actinium Pharmaceuticals Inc., Athersys Inc., Capricor Therapeutics Inc., Cara Therapeutics Inc., Catabasis Pharmaceuticals Inc., Cymabay Therapeutics Inc., Eiger BioPharmaceuticals Inc., Eleven Biotherapeutics Inc., Endocyte Inc., Genocera Biosciences Inc., GlycoMimetics Inc., GTx Inc., Kura Oncology Inc., Ocera Therapeutics Inc., Stemline Therapeutics Inc., Tracoon Pharmaceuticals Inc. and vTv Therapeutics Inc.

We believe that a competitive base salary and monthly compensation is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. We also believe that attractive base salaries can motivate and reward executives for their overall performance. Base salary and monthly compensation are established in part based on the individual experience, skills and expected contributions to our performance, as well as such executive's performance during the prior year. Generally, we believe that executives' base salaries should be targeted near the median of the range of salaries for executives in similar positions with similar responsibilities, experience and performance at comparable companies. Compensation adjustments are made occasionally based on changes in an executive's level of responsibility, company progress or on changed local and specific executive employment market conditions.

In Fiscal 2017, our Compensation Committee increased the base salaries of our Named Executive Officers by ten to thirty three percent based on the report from Aon, as it determined salaries were not in line with market, and in the 2016 fiscal year, our Compensation Committee increased the base salaries of our Named Executive Officers by ten to twenty percent, as it deemed this to be a reasonable rate in the biotechnology industry.

Performance Based Bonus

Our Named Executive Officers are eligible to receive discretionary annual bonuses based upon performance. The amount of annual bonus to our Named Executive Officers is based on various factors, including, among others, the achievement of scientific and business goals and our financial and operational performance. The Compensation Committee takes into account the overall performance of the individuals, as well as the overall performance of the Company over the period being reviewed and the recommendation of management. For any given year, the

compensation objectives vary, but relate generally to strategic factors such as developments in our clinical path, the execution of a license agreement for the commercialization of product candidates, the establishment of key strategic collaborations, the build-up of our pipeline and financial factors such as capital raising. Bonuses are awarded generally based on corporate performance, with adjustments made within a range for individual performance, at the discretion of the Compensation Committee. The Compensation Committee determines, on a discretionary basis, the size of the entire bonus pool and the amount of the actual award to each Named Executive Officer. The overall payment is also based on historic compensation of the Named Executive Officers.

We believe that annual bonuses payable based on the achievement of short-term corporate goals incentivize our Named Executive Officers to create stockholder value and attain short-term performance objectives.

Long-Term Equity Incentive Compensation

Long-term incentive compensation allows the Named Executive Officers to share in any appreciation in the value of our common stock. The Compensation Committee believes that stock participation aligns executive officers' interests with those of our stockholders. Equity incentive awards are generally made at the commencement of employment and following a significant change in job responsibilities, or to meet other special retention or performance objectives. The amounts of the awards are designed to reward past performance and create incentives to meet long-term objectives. Awards are made at a level expected to be competitive within the biotechnology industry, as well as with Israeli-based companies. Awards are made on a discretionary basis and not pursuant to specific criteria set out in advance. In determining the amount of each grant, the Compensation Committee also takes into account the number of shares held by the executive prior to the grant. The vesting schedule for Named Executive Officers was based on monthly installments for periods of no longer than three years through the beginning of Fiscal 2017; however, following consultation with Aon during Fiscal 2017, the vesting schedule for Named Executive Officers was changed to generally provide for annual installments for new grants, though the Compensation Committee also utilizes quarterly vesting from time to time. The Compensation Committee believes that time-based vesting encourages recipients to build stockholder value over a long period of time.

RSU awards provide our Named Executive Officers with the right to purchase shares of our common stock at a par value of \$0.012, subject to continued employment with our company. In November 2014, the Compensation Committee awarded RSUs for the first time and again awarded RSUs in February 2015 and in November 2016. We chose to grant RSU awards and not options because RSU awards, once vested, always have an immediate financial value to the holder thereof, unlike options where the exercise price might be above the current market price of the shares and therefore not have any intrinsic value to the holder thereof. In addition, because vested RSU awards always have financial value, as opposed to options, we were able to limit the number of securities issued to our Named Executive Officers and other employees, directors and consultants. RSUs generally vest over a period of no longer than two years. In June 2017, following consultation with Aon, the Compensation Committee chose to grant options instead of RSUs and in addition granted to the Chief Executive Officer options with a market condition of our share price reaching a certain target, in order to further strengthen the alignment of our Named Executive Officers' interests with those of our stockholders, as part of our efforts to increase the Company's market value. The Compensation Committee believes that time-based vesting encourages recipients to build stockholder value over a long period of time.

Benefits and Perquisites

Generally, benefits available to Named Executive Officers are available to all employees on similar terms and include welfare benefits, paid time-off, life and disability insurance and other customary or mandatory social benefits in Israel. We provide our Named Executive Officers with a phone and a company car, which are customary benefits in Israel to managers and officers.

Based on a relocation cost analysis prepared by consulting company ORI — Organizational Resources International Ltd., the Company pays for certain direct costs and expenses incurred in connection with the relocation of our Chief Executive Officer to New York, up to an aggregate yearly amount of \$365,000 in addition to any related taxation, which includes \$7,600 per month that replaced per diem payments and intended to reflect the difference in the cost of living between Israel and the United States.

We do not believe that the benefits and perquisites described above deviate materially from the customary practice for compensation of executive officers by other companies similar in size and stage of development in Israel. These benefits represent a relatively small portion of the executive officers' total compensation.

Say-on-Pay Vote

Our stockholders approved, on an advisory basis, our executive compensation program at our annual meeting of our stockholders held on August 30, 2016. We did not seek or receive any specific feedback from our stockholders concerning our executive compensation program during the past fiscal year. The Compensation Committee did not specifically rely on the results of the prior vote in making any compensation-related decisions during Fiscal 2017.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with our management and, based on such review and discussions, the Compensation Committee recommended to our Board that the Compensation Discussion and Analysis be included in the Annual Report and in this proxy statement.
