ITEM 7.01 REGULATION FD DISCLOSURE

On December 21, 2009, Oramed Pharmaceuticals Inc. issued a press release announcing that Dr. Roy Eldor will present an overview of the clinical development of Oramed's Oral Insulin capsule at the first International Conference of the Bildirici Center for Diabetes Care Research. The conference will be held at the Wohl Center, Bar Ilan University, in Ramat Gan, Israel, on December 21-23, and Dr. Eldor's presentation will be given on December 22 at 4:10 PM. He will highlight all of the clinical work that Oramed has completed to date, from preclinical trials to its current Phase 2b trial that is underway. Dr. Eldor is the principal investigator for all of Oramed's clinical trials conducted at Hadassah Medical Center. He is a physician in the Diabetes Unit and Endocrinology Department of Hadassah Medical Center.

A copy of the press release is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated by reference herein.

Exhibit Index

Exhibit Number	Description
99.1	Press Release dated December 21, 2009.

Oramed's Dr. Roy Eldor was Chosen to Lecture at the First International Conference held by the Bildirici Center for Diabetes Care Research in Israel.

JERUSALEM, Israel – December 21, 2009– Oramed Pharmaceuticals, Inc. (OTCBB: ORMP.OB) (<http://www.oramed.com>), a developer of alternative drug delivery systems, announced today that Dr. Roy Eldor will present an overview of the clinical development of Oramed's Oral Insulin capsule. Dr. Eldor is the principal investigator for all of Oramed's clinical trials conducted at Hadassah Medical Center. He is a physician in the Diabetes Unit and Endocrinology Department of Hadassah Medical Center.

The conference will take place at the Wohl Center, Bar Ilan University, in Ramat Gan, Israel, on December 21-23. Dr. Eldor's presentation will be given on December 22 at 4:10 PM. He will be highlighting all of the clinical work that Oramed has completed to date, ranging from preclinical trials to its current Phase 2b trial.

"Oramed is honored to have been invited to present at this very important conference to share the clinical development of its Oral Insulin Capsule with the scientific community" says Dr. Roy Eldor.

About the Conference:

The Conference will start to focus on the translation of "cutting edge" diabetes research into practical clinical care, with a particular emphasis on the organization and delivery of care in different health systems. Updates and overviews will be given by invited speakers from around the world, together with workshop and debate sessions and submitted oral and poster presentations.
