Item 7.01. Regulation FD Disclosure.

Oramed Pharmaceuticals Inc. (the “Company”) expects to receive and announce results from its Phase 2b clinical trial for its ORMD-0801 oral insulin capsule in approximately two weeks’ time.

The double-blind, randomized Phase 2b trial of 180 patients with type 2 diabetes was conducted under a U.S. Food and Drug Administration Investigational New Drug protocol at 33 clinical sites in the United States.

Warning Concerning Forward Looking Statements

This Current Report on Form 8-K (the “Report”) contains statements which constitute forward looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other securities laws. These forward looking statements are based upon the Company’s present intent, beliefs or expectations, but forward looking statements are not guaranteed to occur and may not occur for various reasons, including some reasons which are beyond the Company’s control. For example, the Report states that the Company expects to receive and announce results from its clinical trial in approximately two weeks’ time. In fact, the timing of the receipt of these results could change due to various factors and the receipt and announcement could be delayed. For this reason, among others, you should not place undue reliance upon the Company’s forward looking statements. Except as required by law, the Company undertakes no obligation to revise or update any forward looking statements in order to reflect any event or circumstance that may arise after the date of the Report.
