Ladies and Gentlemen:

Oramed Pharmaceuticals Inc., a Delaware corporation (the "Company"), confirms its agreement (this "Agreement") with Cantor Fitzgerald & Co. ("Cantor"), as of the date first written above, as follows:

The Company has prepared and filed, in accordance with the provisions of the Securities Act of 1933, as amended, and the rules and regulations thereunder (collectively, the "Securities Act"), with the Securities and Exchange Commission (the "Commission") a "shelf" registration statement on Form S-3 (File No. 333-236194) (the "Initial Registration Statement") under the Securities Act, including a base prospectus, relating to the securities registered pursuant to such registration statement, which registration statement incorporates by reference documents which the Company has filed, or will file, in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (collectively, the "Exchange Act"). The Company has also prepared and will file, in accordance with the provisions of the Securities Act, with the Commission a registration statement on Form S-3 pursuant to Rule 462(b) under the Securities Act that incorporates the contents of the Initial Registration Statement. Such registration statements have become effective under the Securities Act.

Except where the context otherwise requires, "Registration Statement," as used herein, means the registration statement, as amended, at the time of such registration statement's effectiveness for purposes of Section 11 of the Securities Act, as such section applies to Cantor (the "Effective Time"), including (i) all documents filed as a part thereof or incorporated or deemed to be incorporated by reference therein, (ii) any information contained or incorporated by reference in a prospectus filed with the Commission pursuant to Rule 424(b) under the Securities Act, to the extent such information is deemed, pursuant to Rule 430B or Rule 430C under the Securities Act, to be part of the registration statement at the Effective Time, and (iii) any registration statement filed to register the offer and sale of Placement Shares (as defined below) pursuant to Rule 462(b) under the Securities Act.

Except where the context otherwise requires, “Basic Prospectus,” as used herein, means any such base prospectus and any base prospectus furnished to you by the Company and attached to or used with the Prospectus Supplement (as defined below).

Except where the context otherwise requires, “Prospectus Supplement,” as used herein, means the final prospectus supplement, relating to the Placement Shares, filed by the Company with the Commission pursuant to Rule 424(b) under the Securities Act on or before the second business day after the date hereof (or such earlier time as may be required under the Securities Act) in the form furnished by the Company to you for use by you in connection with the offering of the Placement Shares.

Except where the context otherwise requires, “Prospectus,” as used herein, means the Prospectus Supplement together with the Basic Prospectus attached to or used with the Prospectus Supplement.

Cantor has not offered or sold and will not offer or sell, without the Company’s consent, any Placement Shares by means of any “free writing prospectus” (as defined in Rule 405 under the Securities Act) that is required to be filed by Cantor or the Company with the Commission pursuant to Rule 433 under the Securities Act.

“Issuer Free Writing Prospectuses,” as used herein, means each “issuer free writing prospectus” (as defined in Rule 433(h)(1) under the Securities Act), if any, relating to the Placement Shares.

“Disclosure Package,” as used herein, means, with respect to any Placement Shares (including the public offering price of such Placement Shares), the Prospectus and any Issuer Free Writing Prospectuses issued at or prior to the Applicable Time.

“Applicable Time,” as used herein, means, with respect to any Placement Shares, the time of sale of such Placement Shares pursuant to this Agreement.

Any reference herein to the Registration Statement, any Basic Prospectus, the Prospectus Supplement, or the Prospectus shall be deemed to refer to and include the documents, if any, incorporated by reference, or deemed to be incorporated by reference, therein (the “Incorporated Documents”), including, unless the context otherwise requires, the documents, if any, filed as exhibits to such Incorporated Documents. Any reference herein to the terms “amend,” “amendment” or “supplement” with respect to the Registration Statement, any Basic Prospectus, the Prospectus Supplement, or the Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act on or after the initial effective date of the Registration Statement, or the date of such Basic Prospectus, the Prospectus Supplement, or the Prospectus, as the case may be, and deemed to be incorporated therein by reference.

As used in this Agreement, “business day” shall mean a day on which The Nasdaq Capital Market (the “Nasdaq”) is open for trading. The terms “herein,” “hereof,” “hereto,” “hereinafter” and similar terms, as used in this Agreement, shall in each case refer to this Agreement as a whole and not to any particular section, paragraph, sentence or other subdivision of this Agreement. The term “or,” as used herein, is not exclusive.

1. Issuance and Sale of Placement Shares. The Company agrees that, from time to time during the term of this Agreement, on the terms and subject to the conditions set forth herein, it shall have the option, but not the obligation, to issue and sell through Cantor, acting as sales agent, shares of common stock, \$0.012 par value per share (the “Common Shares”), of the Company having an aggregate offering price of up to \$100,000,000 (the “Placement Shares”). The Placement Shares will be sold on the terms set forth herein at such times and in such amounts as the Company and Cantor shall agree from time to time. The issuance and sale of the Placement Shares through Cantor will be effected pursuant to the Registration Statement filed by the Company and declared effective by the Commission (or, in the case of the 462(b) Registration Statement, became or will become effective upon filing with the Commission).

2. Placements.

- (a) Placement Notice. Each time that the Company wishes to issue and sell Placement Shares hereunder (each, a “Placement”), it will notify Cantor by e-mail notice (or other method mutually agreed to in writing by the parties) containing the parameters within which it desires to sell the Placement Shares, which shall at a minimum include the number of Placement Shares to be issued, the time period during which sales are requested to be made, any limitation on the number of Placement Shares that may be sold in any one Trading Day (as defined in Section 3) and any minimum price below which sales may not be made (a “Placement Notice”), a form of which shall be mutually agreed upon by the Company and Cantor. The Placement Notice shall originate from any of the individuals (each an “Authorized Representative”) from the Company set forth on Schedule 1 (with a copy to each of the other individuals from the Company listed on such schedule), and shall be addressed to each of the individuals from Cantor set forth on Schedule 1 attached hereto, as such Schedule 1 may be amended from time to time. The Placement Notice shall be effective upon confirmation by Cantor unless and until (i) Cantor declines to accept the terms contained therein for any reason, in its sole discretion, in accordance with the notice requirements set forth in Section 4; provided Cantor delivers written notice thereof to the Company within two (2) business days after receipt of such Placement Notice, (ii) the entire amount of the Placement Shares have been sold, (iii) the Company suspends or terminates the Placement Notice in accordance with the notice requirements set forth in Section 4, (iv) the Company issues a subsequent Placement Notice with parameters superseding those on the earlier dated Placement Notice, or (v) the Agreement has been terminated under the provisions of Section 12.
- (i) Placement Fee. The amount of compensation to be paid by the Company to Cantor with respect to each Placement (in addition to any expense reimbursement pursuant to Section 7(i)(ii)) shall be equal to 3.0% of gross proceeds from each Placement.
- (ii) No Obligation. It is expressly acknowledged and agreed that neither the Company nor Cantor will have any obligation whatsoever with respect to a Placement or any Placement Shares unless and until the Company delivers a Placement Notice to Cantor, and then only upon the terms specified therein and herein. It is also expressly acknowledged that Cantor will be under no obligation to purchase Placement Shares on a principal basis. Unless otherwise provided herein, in the event of a conflict between the terms of this Agreement and the terms of a Placement Notice, the terms of the Placement Notice control.

3. Sale of Placement Shares by Cantor. Subject to the terms and conditions of this Agreement, upon the Company's issuance of a Placement Notice, and unless the sale of the Placement Shares described therein has been declined, suspended, or otherwise terminated in accordance with the terms of this Agreement, Cantor will use its commercially reasonable efforts consistent with its normal trading and sales practices to sell on behalf of the Company and as agent, such Placement Shares up to the amount specified, and otherwise in accordance with the terms of such Placement Notice. The Company acknowledges that Cantor will conduct the sale of Placement Shares in compliance with applicable law, rules and regulations including, without limitation, Regulation M under the Exchange Act, and applicable Nasdaq rules and that such compliance may include a delay in commencement of sales efforts after receipt of a Placement Notice. Cantor will provide written confirmation to the Company, as provided in Section 13, no later than the opening of the Trading Day (as defined below) next following the Trading Day on which they have made sales of Placement Shares hereunder setting forth the number of Placement Shares sold on such day, the compensation payable by the Company to Cantor with respect to such sales, and the Net Proceeds (as defined below) payable to the Company. Cantor may sell Placement Shares by any method permitted by law deemed to be an "at the market" offering under Rule 415 of the Securities Act, including without limitation sales made directly on the Nasdaq, on any other existing trading market for the Common Shares or to or through a market maker in a transaction consummated other than on an exchange, or in negotiated transactions at market prices prevailing at the time of sale or at prices related to such prevailing market prices. Notwithstanding anything to the contrary set forth in this Agreement or a Placement Notice, the Company acknowledges and agrees that (i) there can be no assurance that Cantor will be successful in selling any Placement Shares or as to the price at which any Placement Shares are sold, if at all, and (ii) Cantor will incur no liability or obligation to the Company or any other person or entity if they do not sell Placement Shares for any reason other than a failure by Cantor to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell on behalf of the Company and as agent such Placement Shares as provided under this Section 3. For the purposes hereof, "Trading Day" means any day on which Nasdaq is open for trading. While a Placement Notice is in effect, neither Cantor nor any of its subsidiaries shall, for its own account, engage in (i) any short sale of any security of the Company, as defined in Regulation SHO under the Exchange Act, or (ii) any market making bidding, stabilization or other trading activity with regard to the Common Shares or related derivative securities, in each case, if such activity would be prohibited under Regulation M under the Exchange Act or other anti-manipulation rules under the Securities Act. For the avoidance of doubt, this restriction shall not apply to (A) transactions by or on behalf of any customer of Cantor or transactions by Cantor to facilitate any such transactions by or on behalf of any customer of Cantor, or (B) bona fide market making activities otherwise in compliance with Regulation M and Regulation SHO.

4. Suspension of Sales.

- (a) The Company or Cantor may, upon notice to the other party in writing, by telephone (confirmed immediately by verifiable facsimile transmission or e-mail) or by e-mail notice (or other method mutually agreed to in writing by the parties), suspend any sale of Placement Shares; provided, however, that such suspension shall not affect or impair either party's obligations with respect to any Placement Shares sold hereunder prior to the receipt of such notice. The Company agrees that no such notice shall be effective against Cantor unless it is made to one of the individuals named on Schedule 1 hereto, as such Schedule may be amended from time to time.
- (b) Notwithstanding any other provision of this Agreement, during any period in which the Company is in possession of material non-public information, the Company and Cantor (provided Cantor has been given prior written notice of such by the Company, which notice Cantor agrees to treat confidentially) agree that no sale of Placement Shares will take place.

5. Settlement.

- (a) Settlement of Placement Shares. Unless otherwise specified in the applicable Placement Notice, settlement for sales of Placement Shares will occur on the second (2nd) business day (or such earlier day as is agreed by the parties to be industry practice for regular-way trading) following the date on which such sales are made (each a "Settlement Date"). The amount of proceeds to be delivered to the Company on a Settlement Date against the receipt of the Placement Shares sold ("Net Proceeds") will be equal to the aggregate sales price at which such Placement Shares were sold, after deduction for (i) the commission or other compensation for such sales payable by the Company to Cantor, as the case may be, pursuant to Section 2 hereof, (ii) any other amounts due and payable by the Company to Cantor hereunder pursuant to Section 7(i) hereof, and (iii) any transaction fees imposed by any governmental or self-regulatory organization in respect of such sales.
- (b) Delivery of Placement Shares. On each Settlement Date, the Company will, or will cause its transfer agent to, electronically transfer the Placement Shares being sold by crediting Cantor's accounts or its designee's account at The Depository Trust Company through its Deposit Withdrawal Agent Commission System or by such other means of delivery as may be mutually agreed upon by the parties hereto and, upon receipt of such Placement Shares, which in all cases shall be freely tradeable, transferable, registered shares in good deliverable form, Cantor will, on each Settlement Date, deliver the related Net Proceeds in same day funds delivered to an account designated by the Company prior to the Settlement Date. If the Company defaults in its obligation to deliver Placement Shares on a Settlement Date through no fault of Cantor, the Company agrees that in addition to and in no way limiting the rights and obligations set forth in Section 10 hereto, it will (i) hold Cantor harmless against any loss, claim, damage, or reasonable documented expense (including reasonable documented legal fees and expenses), as incurred, arising out of or in connection with such default by the Company and (ii) pay to Cantor any commission, discount, or other compensation to which it would otherwise have been entitled absent such default; provided, however, that without limiting Section 10 herein, the Company shall not be obligated to pay Cantor any commission, discount or other compensation on any Placement Shares that it is not possible to settle due to: (i) a suspension or material limitation in trading in securities generally on the Nasdaq; or (ii) a material disruption in securities settlement or clearance services in the United States.

6. Representations and Warranties of the Company. The Company represents and warrants to, and agrees with, Cantor that as of the date of this Agreement and as of each Applicable Time unless such representation or warranty specifies a different time:

- (oo) the issuance and sale of the Placement Shares as contemplated hereby will not cause any holder of any shares of capital stock, securities convertible into or exchangeable or exercisable for capital stock or options, warrants or other rights to purchase capital stock or any other securities of the Company to have any right to acquire any share of preferred stock of the Company, except as have been otherwise waived;
- (pp) except pursuant to this Agreement, neither the Company nor the Subsidiary has incurred any liability for any finder's or broker's fee or agent's commission in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby or by the Registration Statement;
- (qq) neither the Company nor the Subsidiary nor any of their respective directors, officers, affiliates or, to the Company's knowledge, any controlling persons of such affiliates, has taken, directly or indirectly, any action designed, or which has constituted or would reasonably be expected to cause or result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Placement Shares in violation of Regulation M under the Exchange Act;
- (rr) to the Company's knowledge, there are no affiliations or associations between (i) any member of FINRA and (ii) the Company or any of the Company's officers, directors or 5% or greater security holders or any beneficial owner of the Company's unregistered equity securities that were acquired at any time on or after the 180th day immediately preceding the date the Registration Statement was initially filed with the Commission, except as disclosed in the Registration Statement (excluding the exhibits thereto), the Disclosure Package and the Prospectus;
- (ss) (i) no Plan is, and none of the Company, the Subsidiary or any of their respective ERISA Affiliates (as defined below) has within the past six years sponsored, maintained, participated in, contributed to, or had any obligation (contingent or otherwise) with respect to any (A) "multiemployer plan" within the meaning of Section 3(37) of ERISA, (B) pension plan subject to Title IV or Part 3 of Title I of ERISA or Section 412 of the Code, (C) "multiple employer plan" within the meaning of Section 413(c) of the Code or (D) multiple employer welfare arrangement within the meaning of Section 3(40) of ERISA; and (ii) except for matters which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (A) each "employee benefit plan" (within the meaning of Section 3(3) of ERISA) for which the Company would have any liability (each a "Plan") has been maintained in compliance in all material respects with its terms and with the requirements of all applicable statutes, rules and regulations, including ERISA and the Internal Revenue Code of 1986, as amended, and the regulations and published interpretations thereunder (the "Code"); (B) each Plan that is intended to be qualified under Section 401(a) of the Code is so qualified and nothing has occurred, whether by action or by failure to act, which would cause the loss of such qualification; and (C) there is no pending audit or investigation by the Internal Revenue Service, the U.S. Department of Labor, the Pension Benefit Guaranty Corporation or any other governmental agency or any foreign regulatory agency with respect to any Plan that could reasonably be expected to result in material liability to the Company or the Subsidiary. - (vv) on each Settlement Date, all stock transfer or other taxes (other than income taxes) which are required to be paid in connection with the sale and transfer of the Placement Shares to be sold hereunder will be, or will have been, fully paid or provided for by the Company and all laws imposing such taxes will be or will have been fully complied with; and
- (ww) there is no franchise, contract or other document of a character required to be described in the Registration Statement or Prospectus, or to be filed as an exhibit thereto, which is not described or filed as required (and the Disclosure Package contains in all material respects the same description of the foregoing matters contained in the Prospectus).

In addition, any certificate signed by any officer of the Company and delivered to Cantor or counsel for Cantor in connection with the offering of the Placement Shares shall be deemed to be a representation and warranty by the Company, as to matters covered thereby, to Cantor.

7. Covenants of the Company. The Company covenants and agrees with Cantpr that:

- (a) Registration Statement Amendments. After the date of this Agreement and during the period in which a prospectus relating to the Placement Shares is required to be delivered by Cantor under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 or Rule 173(a) under the Securities Act), (i) the Company will notify Cantor promptly of the time when any subsequent amendment to the Registration Statement has been filed with the Commission and has become effective (each, a “Registration Statement Amendment Date”) or any subsequent supplement to the Prospectus has been filed and of any request by the Commission for any amendment or supplement to the Registration Statement or Prospectus or for additional information; (ii) the Company will file promptly all other material required to be filed by it with the Commission pursuant to Rule 433(d) under the Securities Act; (iii) it will prepare and file with the Commission, promptly upon Cantor’s request, any amendments or supplements to the Registration Statement or Prospectus that, in Cantor’s reasonable opinion based upon the advice of counsel, may be necessary or advisable in connection with the distribution of the Placement Shares by Cantor (provided, however, that the failure of Cantor to make such request shall not relieve the Company of any obligation or liability hereunder, or affect Cantor’s right to rely on the representations and warranties made by the Company in this Agreement); and (iv) the Company will submit to Cantor a copy of any amendment or supplement to the Registration Statement or Prospectus a reasonable period of time before the filing thereof and will afford Cantor and Cantor’s counsel a reasonable opportunity to comment on any such proposed filing prior to such proposed filing; and the Company will cause each amendment or supplement to the Prospectus to be filed with the Commission as required pursuant to the applicable paragraph of Rule 424(b) of the Securities Act or, in the case of any document to be incorporated therein by reference, to be filed with the Commission as required pursuant to the Exchange Act, within the time period prescribed; provided that the Company has no obligation to provide Cantor any advance copy of such filing or to provide Cantor an opportunity to comment on such filing if such filing does not name Cantor and does not reference the transactions contemplated hereby.

- (b) Notice of Commission Stop Orders. The Company will advise Cantor, promptly after it receives notice thereof, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of the Prospectus or other prospectus in respect of the Placement Shares, of any notice of objection of the Commission to the use of the form of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, of the suspension of the qualification of the Placement Shares for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose, or of any request by the Commission for the amending or supplementing of the form of the Registration Statement or the Prospectus or for additional information; and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of the Prospectus in respect of the Placement Shares or suspending any such qualification, to promptly use its commercially reasonable efforts to obtain the withdrawal of such order; and in the event of any such issuance of a notice of objection, promptly to take such reasonable steps as may be necessary to permit offers and sales of the Placement Shares by Cantor, which may include, without limitation, amending the Registration Statement or filing a new registration statement, at the Company's expense (references herein to the Registration Statement shall include any such amendment or new registration statement); provided, however, that the Company may delay any such amendment or supplement or new Registration Statement if, in the reasonable judgment of the Company, it is in the best interests of the Company to do so.
- (c) Delivery of Prospectus; Subsequent Changes. Within the time during which a prospectus relating to the Placement Shares is required to be delivered by Cantor under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 or Rule 173(a) under the Securities Act), the Company will comply in all material respects with all requirements imposed upon it by the Securities Act, as from time to time in force, and will file on or before their respective due dates all reports required to be filed by it with the Commission pursuant to Sections 13(a), 13(c), 15(d), if applicable, or any other provision of or under the Exchange Act. If during such period any event occurs as a result of which the Prospectus as then amended or supplemented would include an untrue statement of material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances then existing, not misleading, or if during such period it is necessary to amend or supplement the Registration Statement or Prospectus to comply with the Securities Act, the Company will immediately notify Cantor to suspend the offering of Placement Shares during such period and the Company will promptly amend or supplement the Registration Statement or Prospectus (at the expense of the Company) so as to correct such statement or omission or effect such compliance.

- (d) Nasdaq Filings. In connection with the offering and sale of the Placement Shares, the Company will file with Nasdaq all documents and notices, and make all certifications, required by Nasdaq of companies that have securities that are listed on Nasdaq.
- (e) Listing of Placement Shares. Prior to the date of the first Placement Notice, the Company will use commercially reasonable efforts to cause the Placement Shares to be listed on the Nasdaq and the TASE and to qualify the Placement Shares for sale under the securities laws of such jurisdictions as Cantor designates and to continue such qualifications in effect so long as required for the distribution of the Placement Shares; provided that the Company shall not be required in connection therewith to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction or subject itself to taxation in any such jurisdiction if it is not otherwise so subject.
- (f) Maintenance of Listings; Reservation of Shares. (a) The Company will use its commercially reasonable efforts to maintain the listing of the Placement Shares on the Nasdaq and on the TASE; and (b) the Company will reserve and keep available at all times, free of preemptive rights, Placement Shares for the purpose of enabling the Company to satisfy its obligations under this Agreement.
- (g) Delivery of Registration Statement and Prospectus. The Company will furnish to Cantor and its counsel (at the expense of the Company) copies of the Registration Statement, the Prospectus (including all documents incorporated by reference therein) and all amendments and supplements to the Registration Statement or Prospectus that are filed with the Commission during the period in which a prospectus relating to the Placement Shares is required to be delivered under the Securities Act (including all documents filed with the Commission during such period that are deemed to be incorporated by reference therein), in each case as soon as reasonably practicable and in such quantities as Cantor may from time to time reasonably request and, at Cantor's request, will also furnish copies of the Prospectus to each exchange or market on which sales of Placement Shares may be made; provided, however, that the Company's obligations under this Agreement to furnish, provide or deliver or make available (and all other reference of like import) copies of any report or statement shall be deemed satisfied if the same is filed with the Commission through its Electronic Data Gathering, Analysis and Retrieval system.
- (h) Earnings Statement. The Company will make generally available to its security holders as soon as reasonably practicable, but in any event not later than 15 months after the end of the Company's current fiscal quarter, an earnings statement covering a 12-month period that satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

- (i) Expenses.
- (i) The Company, whether or not the transactions contemplated hereunder are consummated or this Agreement is terminated, will pay or cause to be paid all expenses incident to the performance of its obligations hereunder, including but not limited to (i) the preparation, printing and filing of the Registration Statement and each amendment and supplement thereto, of each Prospectus and of each amendment and supplement thereto and each Issuer Free Writing Prospectus, (ii) the preparation, issuance and delivery of the Placement Shares, (iii) all fees and disbursements of the Company's counsel, accountants and other advisors, (iv) the qualification of the Placement Shares under securities laws in accordance with the provisions of Section 7(e) of this Agreement, including filing fees in connection therewith, (v) the printing and delivery to Cantor of copies of the Prospectus and any amendments or supplements thereto, and of this Agreement, (vi) the fees and expenses incurred in connection with the listing or qualification of the Placement Shares for trading on the Nasdaq and the TASE, and (vii) any filing fees related to the Commission and FINRA.
- (ii) Notwithstanding the foregoing, the Company shall reimburse Cantor for all of its reasonable and documented expenses, up to a maximum reimbursement of \$75,000, arising out of this Agreement, and \$25,000 for each program "refresh" executed pursuant to this Agreement (including travel and related expenses, the costs of document preparation, production and distribution, third party research and database services and the reasonable and documented fees and disbursements of counsel to Cantor) within ten (10) days of the presentation by Cantor to the Company of a reasonably detailed statement therefor.
- (j) Use of Proceeds. The Company will use the net proceeds from the sale of the Placement Shares under this Agreement as described in the Prospectus.
- (k) Other Sales. Without the prior written consent of Cantor (which consent shall not be unreasonably withheld, conditioned or delayed), the Company will not (A) directly or indirectly, offer to sell, sell, announce the intention to sell, contract to sell, pledge, lend, grant or sell any option, right or warrant to sell or any contract to purchase, purchase any contract or option to sell or otherwise transfer or dispose of any Common Shares (other than the Placement Shares offered pursuant to the provisions of this Agreement) or securities convertible into or exchangeable for Common Shares, warrants or any rights to purchase or acquire, Common Shares or file any registration statement under the Securities Act with respect to any of the foregoing (other than a registration statement on Form S-8 or a new "shelf" registration statement on Form S-3), or (B) enter into any swap or other agreement or any transaction that transfers in whole or in part, directly or indirectly, any of the economic consequence of ownership of the Common Shares, or any securities convertible into or exchangeable or exercisable for or repayable with Common Shares, whether any such swap or transaction described in clause (A) or (B) above is to be settled by delivery of Common Shares or such other securities, in cash or otherwise, during the period beginning on the fifth (5th) business day immediately prior to the date on which any Placement Notice is delivered by the Company hereunder and ending on the second (2nd) business day immediately following the final Settlement Date with respect to Placement Shares sold pursuant to such Placement Notice. The foregoing sentence shall not apply to (i) Common Shares, options to purchase Common Shares or Common Shares issuable upon the exercise of options, restricted share awards, restricted share unit awards, Common Shares issuable upon vesting of restricted share unit awards, or other equity awards or Common Shares issuable upon exercise or vesting of equity awards, pursuant to any employee or director (x) equity award or benefits plan or otherwise approved by the Company's Board of Directors or a duly authorized committee thereof, (y) share ownership or share purchase plan or (z) dividend reinvestment plan (but not shares subject to a waiver to exceed plan limits in its dividend reinvestment plan) of the Company whether now in effect or hereafter implemented, and (ii) Common Shares issuable upon conversion of securities or the exercise of warrants, options or other rights in effect or outstanding on the date hereof or otherwise disclosed in the Registration Statement, Disclosure Package or Prospectus.

- (l) Change of Circumstances. The Company will, at any time a Placement Notice is outstanding (i) advise Cantor immediately after it shall have received notice or obtained knowledge thereof, of any information or fact that would alter or affect any opinion, certificate, letter or other document provided to Cantor in connection with such Placement Notice; and (ii) without the prior written consent of Cantor (which consent shall not be unreasonably withheld, conditioned or delayed), the Company will not directly or indirectly in any other “at the market” transaction offer to sell, sell, contract to sell, grant any option to sell or otherwise dispose of any Common Shares (other than the Placement Shares offered pursuant to the provisions of this Agreement or, for the avoidance of doubt, sales pursuant to any future equity line of credit) or securities convertible into or exchangeable for Common Shares, warrants or any rights to purchase or acquire, Common Shares prior to the later of the termination of this Agreement and the fifth (5th) day immediately following the final Settlement Date with respect to Placement Shares sold pursuant to such Placement Notice; provided, however, that such restrictions will not be applicable to the Company’s issuance or sale of (A) Common Shares, options to purchase Common Shares or Common Shares issuable upon the exercise of options, restricted share awards, restricted share unit awards, Common Shares issuable upon vesting of restricted share unit awards, or other equity awards or Common Shares issuable upon exercise or vesting of equity awards, pursuant to any employee or director (x) equity award or benefits plan or otherwise approved by the Company’s Board of Directors, (y) share ownership or share purchase plan or (z) dividend reinvestment plan (but not shares subject to a waiver to exceed plan limits in its dividend reinvestment plan) of the Company whether now in effect or hereafter implemented, and (B) Common Shares issuable upon conversion of securities or the exercise of warrants, options or other rights in effect or outstanding on the date hereof or otherwise disclosed in the Registration Statement, Disclosure Package or Prospectus.
- (m) Due Diligence Cooperation. The Company will cooperate with any reasonable due diligence review conducted by Cantor or its agents, including, without limitation, providing information and making available documents and the Company’s senior corporate officers, as Cantor may reasonably request; provided, however, that the Company shall be required to make available senior corporate officers only (i) by telephone or at the Company’s principal offices and (ii) during the Company’s ordinary business hours.
- (n) Affirmation of Representations, Warranties, Covenants and Other Agreements. Upon commencement of the offering of the Placement Shares under this Agreement (and upon the recommencement of the offering of the Placement Shares under this Agreement following any termination of a suspension of sales hereunder), and at each Applicable Time, the Company shall be deemed to have affirmed each representation, warranty, covenant and other agreement contained in this Agreement.
- (o) Required Filings Relating to Placement of Placement Shares. In each Annual Report on Form 10-K or Quarterly Report on Form 10-Q filed by the Company in respect of any quarter in which sales of Placement Shares were made by Cantor under this Agreement (each date on which any such document is filed, and any date on which an amendment to any such document is filed, a “Company Periodic Report Date”), the Company shall set forth with regard to such quarter the number of Placement Shares sold through Cantor under this Agreement and the Net Proceeds received by the Company with respect to sales of Placement Shares pursuant to this Agreement.

- (p) Representation Dates; Certificate. During the term of this Agreement, on or prior to the date the Company first delivers a Placement Notice hereunder, and each time the Company (i) amends or supplements (other than a prospectus supplement relating solely to an offering of securities other than the Placement Shares) the Registration Statement or the Prospectus relating to the Placement Shares by means of a post-effective amendment, sticker, or supplement but not by means of incorporation of document(s) by reference to the Registration Statement or the Prospectus relating to the Placement Shares; (ii) files an annual report on Form 10-K under the Exchange Act; (iii) files its quarterly reports on Form 10-Q under the Exchange Act; or (iv) files a report on Form 8-K containing amended financial information (other than an earnings release, to “furnish” information pursuant to Items 2.02 or 7.01 of Form 8-K or to provide disclosure pursuant to Item 8.01 of Form 8-K relating to the reclassifications of certain properties as discontinued operations in accordance with Statement of Financial Accounting Standards No. 144) under the Exchange Act (each date of filing of one or more of the documents referred to in clauses (i) through (iv) shall be a “Representation Date”); the Company shall furnish Cantor (but in the case of clause (iv) above only if Cantor reasonably determines that the financial information contained in such Form 8-K is material) with a certificate, in the form attached hereto as Exhibit A. The requirement to provide a certificate under this Section 7(p) shall be waived for any Representation Date occurring at a time at which no Placement Notice is pending, which waiver shall continue until the earlier to occur of the date the Company delivers a Placement Notice hereunder (which for such calendar quarter shall be considered a Representation Date) and the next occurring Representation Date following the delivery of such Placement Notice; provided, however, that such waiver shall not apply for any Representation Date on which the Company files its annual report on Form 10-K.

Notwithstanding the foregoing, if the Company subsequently decides to sell Placement Shares following a Representation Date when the Company relied on such waiver and did not provide Cantor with a certificate under this Section 7(p), then before the Company delivers the Placement Notice or Cantor sells any Placement Shares, the Company shall provide Cantor with a certificate, in the form attached hereto as Exhibit A, dated the date of the Placement Notice.

- (q) Legal Opinions. On or prior to the date a Placement Note is first delivered under this Agreement (and thereafter upon the recommencement of the offering of the Placement Shares under this Agreement following any termination of a suspension of sales hereunder), and within two (2) Trading Days of the Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit A for which no waiver is applicable, the Company will furnish or cause to be furnished to Cantor the written opinion letter and negative assurance of Sullivan & Worcester LLP, U.S. counsel to the Company, each dated as of the date that the opinion letter and negative assurance is required to be delivered, as the case may be, in a form and substance reasonably satisfactory to Cantor and its counsel, or, in lieu of such opinion and negative assurance, counsel last furnishing such opinion and negative assurance to Cantor shall furnish Cantor with a letter substantially to the effect that Cantor may rely on such last opinion and negative assurance to the same extent as though each were dated the date of such letter authorizing reliance (except that statements in such last opinion and negative assurance shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such letter authorizing reliance).

- (r) Comfort Letters. On or prior to the date a Placement Note is first delivered under this Agreement (and thereafter upon the recommencement of the offering of the Placement Shares under this Agreement following any termination of a suspension of sales hereunder), and within two (2) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit A for which no waiver is applicable, the Company shall cause Kesselman & Kesselman, a member firm of PricewaterhouseCoopers International Limited, to furnish Cantor a letter dated the date of such commencement or recommencement or the date of such Representation Date (but in the case of clauses (i) and (iv) of Section 7(p) above, only if Cantor reasonably determines that the information contained in such filings with the Commission contains a material change in the financial disclosure of the Company), as the case may be (the “Comfort Letters”), in form and substance reasonably satisfactory to Cantor, (i) confirming that they are registered independent public accountants within the meaning of the Securities Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission, (ii) stating, as of such date, the conclusions and findings of the firm with respect to the financial information and other matters included in or incorporated by reference in the Registration Statement as ordinarily covered by accountants’ “comfort letters” to underwriters in connection with registered public offerings (the first such letter, the “Initial Comfort Letter”) and (iii) updating the Initial Comfort Letter with any information which would have been included in the Initial Comfort Letter had it been given on such date and modified as necessary to relate to the Registration Statement and the Prospectus, as amended and supplemented to the date of such letters.
- (s) Market Activities. The Company will not in violation of Regulation M or other applicable law, directly or indirectly (without giving effect to the activities of Cantor), (i) take any action designed to cause or result in, or that constitutes or would reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Placement Shares or (ii) sell, bid for, or purchase the Placement Shares, or pay anyone any compensation for soliciting purchases of the Placement Shares other than Cantor. If, at the time of execution of this Agreement, the Company’s Common Shares are not an “actively traded security” exempted from the requirements of Rule 101 of Regulation M by subsection (c)(1) of such rule, the Company shall notify Cantor at the time the Common Shares become an “actively traded security” under such rule. Furthermore, the Company shall notify Cantor immediately if the Common Shares, having once qualified for such exemption, ceases to so qualify.
- (t) Securities Act and Exchange Act. The Company will use commercially reasonable efforts to comply with all requirements imposed upon it by the Securities Act and the Exchange Act as from time to time in force, so far as necessary to permit the continuance of sales of, or dealings in, the Placement Shares as contemplated by the provisions hereof and the Prospectus.

- (u) No Offer to Sell. Other than a free writing prospectus (as defined in Rule 405 under the Securities Act) approved in advance by the Company and Cantor in its capacity as principal or agent hereunder, neither Cantor nor the Company (including its agents and representatives, other than Cantor in its capacity as such) will make, use, prepare, authorize, approve or refer to any written communication (as defined in Rule 405 under the Securities Act), required to be filed by it with the Commission, that constitutes an offer to sell or solicitation of an offer to buy Common Shares hereunder.
- (v) Blue Sky and Other Qualifications. The Company will use its commercially reasonable efforts, in cooperation with Cantor, to qualify the Placement Shares for offering and sale, or to obtain an exemption for the Placement Shares to be offered and sold, under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as Cantor may designate and to maintain such qualifications and exemptions in effect for so long as required for the distribution of the Placement Shares (but in no event for less than one year from the date of this Agreement); *provided, however*, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject. In each jurisdiction in which the Placement Shares have been so qualified or exempt, the Company will file such statements and reports as may be required by the laws of such jurisdiction to continue such qualification or exemption, as the case may be, in effect for so long as required for the distribution of the Placement Shares (but in no event for less than one year from the date of this Agreement).
- (w) Sarbanes-Oxley Act. The Company and the Subsidiary will maintain and keep accurate books and records reflecting their assets and maintain internal accounting controls in a manner designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and including those policies and procedures that (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company, (ii) provide reasonable assurance that transactions are recorded as necessary to permit the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles, (iii) provide that receipts and expenditures of the Company are being made only in accordance with management's and the Company's directors' authorization, and (iv) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on its financial statements. The Company and the Subsidiary will maintain such controls and other procedures, including, without limitation, those required by Sections 302 and 906 of the Sarbanes-Oxley Act, and the applicable regulations thereunder that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms, including, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company's management, including its principal executive officer and principal financial officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure and to ensure that material information relating to the Company or the Subsidiary is made known to them by others within those entities, particularly during the period in which such periodic reports are being prepared.

- (x) Consent to Cantor Trading. The Company consents to Cantor trading in compliance with applicable law, in the Common Shares of the Company for Cantor's own account and for the account of its clients at the same time as sales of Placement Shares occur pursuant to this Agreement.
- (y) Secretary's Certificate; Further Documentation. On or prior to the date of the first Placement Notice, the Company shall deliver to Cantor a certificate of the Secretary of the Company and attested to by an executive officer of the Company, dated as of such date, certifying as to (i) the Certificate of Incorporation of the Company, (ii) the By-laws of the Company, (iii) the resolutions of the Board of Directors of the Company authorizing the execution, delivery and performance of this Agreement and the issuance of the Placement Shares, (iv) the incumbency of the officers duly authorized to execute this Agreement and the other documents contemplated by this Agreement and (v) any other reasonable certificates as requested by Cantor's counsel. Within three (3) business days of each Representation Date, the Company shall have furnished to Cantor such further information, certificates and documents as Cantor may reasonably request.

8. Additional Representations and Covenants of the Company.

- (a) Issuer Free Writing Prospectuses.
 - (i) The Company represents that it has not made, and covenants that, unless it obtains the prior written consent of Cantor, it will not make any offer relating to the Placement Shares that would constitute an Issuer Free Writing Prospectus required to be filed by it with the Commission or retained by the Company under Rule 433 of the Securities Act; except as set forth in a Placement Notice, no use of any Issuer Free Writing Prospectus has been consented to by Cantor. The Company agrees that it will comply with the requirements of Rules 164 and 433 of the Securities Act applicable to any Issuer Free Writing Prospectus, including timely filing with the Commission or retention where required and legending.
 - (ii) The Company agrees that no Issuer Free Writing Prospectus, if any, will include any information that conflicts with the information contained in the Registration Statement, including any document incorporated by reference therein that has not been superseded or modified, or the Prospectus. In addition, no Issuer Free Writing Prospectus, if any, will include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided however, the foregoing shall not apply to any statements or omissions in any Issuer Free Writing Prospectus made in reliance on information furnished in writing to the Company by Cantor intended for use therein.

(iii) The Company agrees that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, including any document incorporated by reference therein that has not been superseded or modified, or the Prospectus or would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Company will give prompt notice thereof to Cantor and, if requested by Cantor, will prepare and furnish without charge to Cantor an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission; provided, however, the foregoing shall not apply to any statements or omissions in any Issuer Free Writing Prospectus made in reliance on information furnished in writing to the Company by Cantor intended for use therein.

(b) Non-Issuer Free Writing Prospectus. The Company consents to the use by Cantor of a free writing prospectus that (a) is not an “Issuer Free Writing Prospectus” as defined in Rule 433 under the Securities Act, and (b) contains only information describing the preliminary terms of the Placement Shares or their offering, or information permitted under Rule 134 under the Securities Act; provided that Cantor covenants with the Company not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) under the Securities Act a free writing prospectus prepared by or on behalf of Cantor that otherwise would not be required to be filed by the Company thereunder, but for the action of Cantor and the Company shall have consented to the form and substance of such free writing prospectus prior to its use by Cantor.

(c) Distribution of Offering Materials. The Company has not distributed and will not distribute, during the term of this Agreement, any offering materials in connection with the offering and sale of the Placement Shares other than the Registration Statement, Prospectus or any Issuer Free Writing Prospectus reviewed and consented to by Cantor and included in a Placement Notice (as described in clause (a)(i) above).

9. Conditions to Cantor’s Obligations. The obligations of Cantor hereunder with respect to a Placement will be subject to the continuing accuracy and completeness of the representations and warranties made by the Company herein and in the applicable Placement Notices, to the due performance by the Company of its obligations hereunder, to the completion by Cantor of a due diligence review satisfactory to Cantor in its reasonable judgment, and to the continuing satisfaction (or waiver by Cantor in its sole discretion) of the following additional conditions:

- (a) Registration Statement Effective. The Registration Statement shall have become effective and shall be available for the sale of (i) all Placement Shares issued pursuant to all prior Placements and not yet sold by Cantor and (ii) all Placement Shares contemplated to be issued by the Placement Notice relating to such Placement.
- (b) No Material Notices. None of the following events shall have occurred and be continuing: (i) receipt by the Company of any request for additional information from the Commission or any other federal or state or foreign or other governmental, administrative or self-regulatory authority during the period of effectiveness of the Registration Statement, the response to which might reasonably require any amendments or supplements to the Registration Statement or the Prospectus; (ii) the issuance by the Commission or any other federal or state or foreign or other governmental authority of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose; (iii) receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Placement Shares for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; (iv) the occurrence of any event that makes any statement made in the Registration Statement or the Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, related prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (v) the Company's reasonable determination that a post-effective amendment to the Registration Statement would be appropriate.
- (c) No Misstatement or Material Omission. Cantor shall not have advised the Company that the Registration Statement or Prospectus, or any amendment or supplement thereto, contains an untrue statement of fact that in Cantor's opinion is material, or omits to state a fact that in Cantor's opinion is material and is required to be stated therein or is necessary to make the statements therein not misleading.
- (d) Material Changes. Except as contemplated and appropriately disclosed in the Prospectus, or disclosed in the Company's reports filed with the Commission, in each case at the time the applicable Placement Notice is delivered, there shall not have been any material change, on a consolidated basis, in the authorized capital shares of the Company and its Subsidiary, or any Material Adverse Effect, or any development that may reasonably be expected to cause a Material Adverse Effect, or a downgrading in or withdrawal of the rating assigned to any of the Company's securities by any rating organization or a public announcement by any rating organization that it has under surveillance or review its rating of any of the Company's securities, the effect of which, in the sole judgment of Cantor (without relieving the Company of any obligation or liability it may otherwise have), is so material as to make it impracticable or inadvisable to proceed with the offering of the Placement Shares on the terms and in the manner contemplated in the Prospectus.

- (e) Certificate. Cantor shall have received the certificate required to be delivered pursuant to Section 7(p), on or before the date on which delivery of such certificate is required pursuant to Section 7(p).
- (f) Legal Opinions. Cantor shall have received the opinions and letters of counsel to the Company required to be delivered pursuant Section 7(q), on or before the date on which such delivery of such opinions and letters are required pursuant to Section 7(q).
- (g) Comfort Letters. Cantor shall have received the Comfort Letters required to be delivered pursuant Section 7(r) on or before the date on which such delivery of such letters is required pursuant to Section 7(r).
- (h) Approval for Listing; No Suspension. The Placement Shares shall have either been (i) approved for listing, subject to notice of issuance, on the Nasdaq, or (ii) the Company shall have filed an application for listing of the Placement Shares on the Nasdaq at or prior to the issuance of the Placement Notice. Trading in the Common Shares shall not have been suspended on the Nasdaq or the TASE.
- (i) Other Materials. On each date on which the Company is required to deliver a certificate pursuant to Section 7(p), the Company shall have furnished to Cantor such appropriate further information, certificates, opinions and documents as Cantor may reasonably request. All such opinions, certificates, letters and other documents will be in compliance with the provisions hereof. The Company will furnish Cantor with such conformed copies of such opinions, certificates, letters and other documents as Cantor shall reasonably request.
- (j) Securities Act Filings Made. All filings with the Commission required by Rule 424 under the Securities Act to have been filed prior to the issuance of any Placement Notice hereunder shall have been made within the applicable time period prescribed for such filing by Rule 424.
- (k) No Termination Event. There shall not have occurred any event that would permit Cantor to terminate this Agreement pursuant to Section 12(a).

10. Indemnification and Contribution.

- (a) Company Indemnification. The Company will indemnify and hold harmless Cantor, its affiliates and their respective partners, members, directors, officers, employees, counsels and agents and each person, if any, who controls Cantor or any affiliate within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any losses, claims, damages, expenses or liabilities, joint or several, to which Cantor or controlling person may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages, expenses or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Prospectus, the Disclosure Package, or any Issuer Free Writing Prospectus or any “issuer information” filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any amendment or supplement to the Registration Statement, the Prospectus or the Disclosure Package, or in any application or other document executed by or on behalf of the Company or based on written information furnished by or on behalf of the Company filed in any jurisdiction in order to qualify the Placement Shares under the securities laws thereof or filed with the Commission, or arise out of or are based upon the omission or alleged omission to state in the Registration Statement, the Prospectus, the Disclosure Package, or any Issuer Free Writing Prospectus or any “issuer information” filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any amendment or supplement to the Registration Statement, the Prospectus, or the Disclosure Package or in any application or other document executed by or on behalf of the Company or based on written information furnished by or on behalf of the Company filed in any jurisdiction in order to qualify the Placement Shares under the securities laws thereof or filed with the Commission a material fact required to be stated in it or necessary to make the statements in it not misleading, and will reimburse Cantor for any reasonable and documented legal expenses of counsel for Cantor and one set of local counsel in each applicable jurisdiction for Cantor, and for other expenses reasonably incurred by Cantor in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Prospectus or the Disclosure Package, or any such amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by and through Cantor expressly for use therein. The Company hereby acknowledges that the only information that Cantor has furnished to the Company expressly for use in the Registration Statement, the Prospectus or the Disclosure Package or any such amendment or supplement thereto are the statements set forth in the tenth and eleventh paragraphs under the heading “Plan of Distribution” in the Prospectus (the “Agent Information”).

- (b) Cantor Indemnification. Cantor will indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any losses, claims, damages, expenses or liabilities to which the Company may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages, expenses or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendments thereto), the Prospectus (or any amendment or supplement thereto), the Disclosure Package, any Issuer Free Writing Prospectus or any non-Issuer Free Writing Prospectus used pursuant to Section 8(b), or arise out of or are based upon the omission or alleged omission to state therein a material fact, in the case of the Registration Statement or any amendment thereto, required to be stated therein or necessary to make the statements therein not misleading and, in the case of the Prospectus or any supplement thereto, the Disclosure Package, the Issuer Free Writing Prospectus or any non-Issuer Free Writing Prospectus, necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement (or any amendments thereto), the Prospectus (or any amendment or supplement thereto), the Disclosure Package, any Issuer Free Writing Prospectus, or any non-Issuer Free Writing Prospectus in reliance upon and in conformity with the Agent Information; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.
- (c) Procedure. Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, promptly notify such indemnifying party in writing of the institution of such action and such indemnifying party shall assume the defense of such action, including the employment of counsel reasonably satisfactory to such indemnified party and payment of all fees and expenses; provided, however, that the failure to so notify such indemnifying party shall not relieve such indemnifying party from any liability which such indemnifying party may have to any indemnified party or otherwise to the extent it is not materially prejudiced as a result thereof. (The indemnified party or parties shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless the employment of such counsel shall have been authorized in writing by the indemnifying party in connection with the defense of such action or the indemnifying party shall not have, within a reasonable period of time in light of the circumstances, employed counsel to defend such action or such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them which are different from, additional to or in conflict with those available to such indemnifying party (in which case such indemnifying party shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events such fees and expenses shall be borne by such indemnifying party and paid as incurred (it being understood, however, that such indemnifying party shall not be liable to the expenses of more than one separate counsel (in addition to any local counsel) in any one action or series of related actions in the same jurisdiction representing the indemnified parties who are parties to such action). No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party. No indemnifying party shall be liable for any settlement of any action or claim affected without its written consent, which consent shall not be unreasonably withheld.

- (d) Contribution. If the indemnification provided for in this Section 10 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages, expenses or liabilities (or actions in respect thereof) referred to therein (including any investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted), then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and Cantor on the other from the offering of the Placement Shares. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and Cantor on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and Cantor on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company, bear to the total underwriting discounts, commissions and other fees received by Cantor. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or Cantor on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and Cantor agree that it would not be just and equitable if contributions pursuant to this subsection (d) were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), Cantor shall not be required to contribute any amount in excess of the amount by which the total price at which the Placement Shares distributed to the public by it were offered to the public exceeds the amount of any damages which Cantor has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

- (e) Obligations. The obligations of the Company under this Section 10 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls Cantor within the meaning of the Securities Act; and the obligations of Cantor under this Section 10 shall be in addition to any liability which Cantor may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and to each affiliate and their officer and directors.
11. Representations and Agreements to Survive Delivery. All representations and warranties of the Company herein or in certificates delivered pursuant hereto shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of Cantor, any controlling persons, or the Company (or any of their respective officers, directors or controlling persons), (ii) delivery and acceptance of the Placement Shares and payment therefor or (iii) any termination of this Agreement.
12. Termination.
- (a) Cantor shall have the right to terminate this Agreement at any time by giving notice as hereinafter specified if (i) any Material Adverse Effect has occurred, or any development that is reasonably expected to cause a Material Adverse Effect has occurred or any other event has occurred which, in the sole judgment of Cantor, may materially impair Cantor's ability to proceed with the offering to sell the Placement Shares, (ii) the Company shall have failed, refused or been unable, at or prior to any Settlement Date, to perform any material agreement on its part to be performed hereunder, (iii) any other condition of Cantor's obligations hereunder is not fulfilled, or (iv) any suspension or limitation of trading in the Common Shares of the Company on the Nasdaq or the TASE shall have occurred. Any such termination shall be without liability of any party to any other party except that the provisions of Section 7(i) (Expenses), Section 10 (Indemnification), Section 11 (Survival of Representations), Section 12(f) (Termination), Section 16 (Applicable Law; Consent to Jurisdiction) and Section 17 (Waiver of Jury Trial) hereof shall remain in full force and effect notwithstanding such termination. If Cantor elects to terminate this Agreement as provided in this Section 12(a), Cantor shall provide the required notice as specified in Section 13 (Notices).
- (b) The Company shall have the right to terminate this Agreement in its sole discretion at any time by giving five (5) days' notice as hereinafter specified. Any such termination shall be without liability of any party to any other party except that the provisions of Section 7(i), Section 10, Section 11, Section 12(f), Section 16 and Section 17 hereof shall remain in full force and effect notwithstanding such termination.

- (c) In addition to, and without limiting Cantor's rights under Section 12(a), Cantor shall have the right to terminate this Agreement in its sole discretion at any time after the date of this Agreement by giving five (5) days' notice as hereinafter specified. Any such termination shall be without liability of any party to any other party except that the provisions of Section 7(i), Section 10, Section 11, Section 12(f), Section 16 and Section 17 hereof shall remain in full force and effect notwithstanding such termination.
- (d) This Agreement shall remain in full force and effect unless terminated pursuant to Sections 12(a), 12(b) or 12(c) above or otherwise if the entire amount of the Placement Shares have been sold or by mutual agreement of the parties; provided that any such termination due to the sale of the entire amount of the Placement Shares or by mutual agreement shall in all cases be deemed to provide that Section 7(i), Section 10, Section 11, Section 12(f), Section 16 and Section 17 shall remain in full force and effect.
- (e) Any termination of this Agreement shall be effective on the date specified in such notice of termination; provided that such termination shall not be effective until the close of business on the date of receipt of such notice by Cantor or the Company, as the case may be. If such termination shall occur prior to the Settlement Date for any sale of Placement Shares, such Placement Shares shall settle in accordance with the provisions of this Agreement.
- (f) In the event that the Company terminates this Agreement, as permitted under Section 12(b), the Company shall be under no continuing obligation pursuant to this Agreement to utilize the services of Cantor in connection with any sale of securities of the Company or to pay any compensation to Cantor other than compensation with respect to sales of Placement Shares subscribed on or before the termination date and the Company shall be free to engage other placement agents and underwriters from and after the termination date with no continuing obligation to Cantor.

14. Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the Company and Cantor and their respective successors and the affiliates, controlling persons, officers and directors referred to in Section 10 hereof. References to any of either of the parties contained in this Agreement shall be deemed to include the successors and permitted assigns of such party. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and permitted assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement. Neither party may assign its rights or obligations under this Agreement without the prior written consent of the other party, provided, however, that Cantor may assign its rights and obligations hereunder to an affiliate of Cantor qualified to perform Cantor's obligations under this Agreement without obtaining the Company's consent.

15. Entire Agreement; Amendment; Severability. This Agreement (including all schedules and exhibits attached hereto and Placement Notices issued pursuant hereto) constitutes the entire agreement and supersedes all other prior and contemporaneous agreements and undertakings, both written and oral, among the parties hereto with regard to the subject matter hereof. Neither this Agreement nor any term hereof may be amended except pursuant to a written instrument executed by the Company and Cantor. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.
16. Applicable Law; Consent to Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of New York without regard to the principles of conflicts of laws. Each party hereby irrevocably submits to the non-exclusive jurisdiction of the state and federal courts sitting in the City of New York, borough of Manhattan, for the adjudication of any dispute hereunder or in connection with any transaction contemplated hereby, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof (certified or registered mail, return receipt requested) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law.
17. Waiver of Jury Trial. The Company and Cantor hereby irrevocably waive any right either may have to a trial by jury in respect of any claim based upon or arising out of this agreement or any transaction contemplated hereby.
18. Absence of Fiduciary Duties. The parties acknowledge that they are sophisticated in business and financial matters and that each of them is solely responsible for making its own independent investigation and analysis of the transactions contemplated by this Agreement. They further acknowledge that Cantor has not been engaged by the Company to provide, and has not provided, financial advisory services in connection with the terms of the offering and sale of the Placement Shares nor has Cantor assumed at any time a fiduciary relationship to the Company in connection with such offering and sale. The parties also acknowledge that the provisions of this Agreement fairly allocate the risks of the transactions contemplated hereby among them in light of their respective knowledge of the Company and their respective abilities to investigate its affairs and business in order to assure that full and adequate disclosure has been made in the Registration Statement and the Prospectus (and any amendments and supplements thereto). The Company hereby waives, to the fullest extent permitted by law, any claims it may have against Cantor for breach of fiduciary duty or alleged breach of fiduciary duty and agrees Cantor shall have no liability (whether direct or indirect) to the Company in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of the Company, including shareholders, employees or creditors of Company.

19. Payments to Cantor. All payments made or deemed to be made by the Company to Cantor, its officers and employees and any person controlling Cantor within the meaning of the Securities Act or the Exchange Act, under this Agreement, if any, will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature (other than taxes on net income) imposed or levied by or on behalf of the State of Israel or any political subdivision or any taxing authority thereof or therein unless the Company is or becomes required by law to withhold or deduct such taxes, duties, assessments or other governmental charges. In such event, the Company will pay such additional amounts as will result, after such withholding or deduction, in the receipt by Cantor, its officers and employees and any person controlling Cantor within the meaning of the Securities Act or the Exchange Act, as the case may be, of the amounts that would otherwise have been receivable in respect thereof.
20. Amendments or Waivers. No amendment or waiver of any provision of this Agreement, nor any consent to or approval of any departure therefrom, shall in any event be effective unless the same shall be in writing and signed by the parties hereto.
21. Headings. The headings herein are included for convenience of reference only and are not intended to be part of, or to affect the meaning or interpretation of, this Agreement.
22. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery of an executed Agreement by one party to the other may be made by facsimile or e-mail transmission.
